\$2.00 A YEAR; 5¢ A COPY

## Hallowe'en Shell Out Tickets To Aid Community Centre

Sponsored by the Didsbury Lions Club, the annual Hallowe'en Shell-Out will again be conducted in Didsbury this year, with proceeds going to the Didsbury Community Centre fund.

Shell-Out tickets are being issued through the local school pupils who will canvass the town offering sheets of these tickets at \$1.00 per hundred.

When the Hallowe'eners make their rounds on the night of October 31st, as they usually do, house-holders are urged to have these tickets on hand and give them out to the boys and girls in place of the usual "treats."

As a reward for collecting the most tickets on Hallowe'en night, a number of prizes will be given. Hallowe'eners are urged to accept these tickets when making their rounds for in doing so they are helping to build the first project of the Community Centre, which is the covered skating rink, and which is hoped to be complete in time for skating this winter.

These Hallowe'en Shell-Out tickets are now on sale and anyone who wants them, and hasn't been canvassed, may procure the tickets from any school pupil, or from the school principal, Mr. E.T. Wiggins.

## FORTY YEARS AGO

(October 18, 1907)

The banquet tendered to Hon. A. C. Rutherford, Premier of Alberta, at the Golden West Hotel on Monday night was attended by about 40 guests.

Several flocks of wild geese have been seen going south and several parties have started out hoping to arrest a few on their journey.

Didsbury's annual fall fair was held last Monday but was not very well attended. Mr. Craig, inspector of Provincial Fairs, was present and informed the secretary that Didsbury must have a better show grounds to retain the agricultural society grant.

Proprietors of private creameries and cheese factories of Alberta gathered in Didsbury Tuesday and formed the Central Alberta Private Creameries and Cheese Factories Association.

Dressed grain fed beef at 5 1/2¢ a pound and dressed hogs at 8¢ with No. 1 bacon at 8¢, eggs 25¢, butter 20¢, were considered good prices by local farmers in 1907.

## MUSICAL PROGRAM AT EVANGELICAL CHURCH

There will be a musical program in support of "Aid of Relief" at the Evangelical church, Didsbury, on Tuesday, October 28th at 8 p.m. Local talent will render musical selections, including quartets, trios, duets and solos. Everyone is heartily invited to attend, so come and bring your friends.

An account of the Kupsch-Plant wedding sent in for publication has been held over until our next issue.

## Medical and Dental Pictures On Display at Builders' Hdwe.

The Department of Veterans' Affairs, under auspices of the Didsbury Citizens' Rehabilitation Committee, and the courtesy of Builders' Hardware Stores Ltd., is showing in one of the store windows an exhibition of pictures dealing with various phases of Medical and Den-

## BUT THE PROOF IS REALLY IN THE EATING

When it pertains to game birds authorities say "the proof is in the eating." But Russell Ady also had a photo of the 50 Canada geese to prove that the party he was with really did have something to show for the week's outing besides the lame backs caused from digging pits. Accompanied by Bob Rankin, Henry Schielke and George Elliott of Olds, Mr. Ady says they really hit the jack pot the first shoot they had east of Hanna and almost bagged the day's limit. But luck held good and in the three days hunting they secured one of the largest bags of wild geese so far reported this season.

## WESTCOTT W.I. SOCIAL EVENING NOVEMBER 21

The Westcott W.I. met at the home of Mrs. Cliff Ekstrand on Tuesday, October 14th instead of Thursday, October 16th, because of bad roads. Sixteen members and two visitors were present.

Roll Call took the form of a photo contest. The members each brought pictures of themselves taken when they were babies and as these were passed around those present had to try to identify them. Many wild guesses were made, but proved to be right.

At future meetings four members are to each bring a magazine and these will be given to the Didsbury hospital. Mrs. Owens gave a report on the W.I. executive meeting held recently at the home of Mrs. Eckel in Didsbury.

Plans were made for the W.I. to hold a social evening in the Westcott school on Friday, November 21st, commencing at 8 p.m. The evening will be spent in playing cards, crocheting, checkers, etc. A lunch of ice cream, pie and coffee will be served, and admission is 25¢. Each member will supply three pies and any donations of pies will be greatly appreciated. Please keep this date in mind.

A song, "Give yourself a pat on the back," was then sung. The bit of fun was taken by Mrs. Shields. The educational talk was to have been given by Mrs. S. Owens but unfortunately she was unable to attend.

It was also decided to send a Christmas parcel to the institute in England with which the Westcott W.I. corresponds. The parcel will consist of a Christmas cake and tea, which will be used as refreshments at their meetings.

The next meeting will be held at the home of Mrs. C. Shields on Thursday, November 13th, at 2 p.m. Ladies—Don't forget the Date Leaf contest.

The first flour mill in Canada was built at Port Royal, Nova Scotia, in 1608. Wheat had been grown in Quebec, however, as far back as 1542. Wheat was introduced into Manitoba by the explorer, La Verendrye, in 1733.

tal care for Southern Alberta Veterans. The exhibition is interesting, instructive and well worth viewing, not only by veterans, but by the public generally, who make possible the facilities for efficient cure and treatment of our war casualties in this area.

The Picture Display is to show the taxpayer how the money spent helps care for war casualties in the Calgary area, and there are eleven different pictures: 1. Ward Scene; 2. Occupational Therapy Section; 3. X-Ray Department; 4. Scene in Cafeteria; 5. Scene in Operating Room; 6. Dressing Room; 7. Part of Laboratory; 8. Section of Physiotherapy Department; 9. Remedial Physical Training; 10. Dentist at Work; 11. Scene in Dental Laboratory.

## PRO-CATHEDRAL WOULD LIKE COMMENT ON RADIO PROGRAM

The Pro-Cathedral Church of the Redeemer (Anglican) Calgary, has been broadcasting its Sunday morning services for some years over CFAC for the benefit of country listeners and "shut-ins." Anxious to know how these broadcasts are being received, Pro-Cathedral would be very glad indeed to receive letters and comment thereon from any who would be good enough to write. Letters may be addressed to The People's Warden, c/o Paget Hall, Calgary.

REV. WINSTON I. NUNES

Successful Youth For Christ meetings were held in both the M.B.C. and Evangelical churches in Didsbury last Thursday, Friday and Saturday.

Rev. Nunes is a musician as well as an evangelist and good crowds were in attendance at his meetings in Didsbury.

## M.V.B.S. TAX PLEBISCITE

Last February a petition was presented to the Legislature by the Mennonite Brethren in Christ Church asking for tax exemption on the property occupied by the Bible School. The Town Council opposed the petition on the grounds that it was not satisfied that the majority of the taxpayers in the town were in favor of the exemption being given and the Council are now taking a plebiscite of the taxpayers for the purpose of getting an expression of opinion from them.

The Council wishes to take this opportunity of placing the following facts before the ratepayers:

1. The Mountain View Bible School is not entitled to tax exemption under the Assessment Act because they do not operate an accredited school under the supervision of the Department of Education.

2. The Mennonite Brethren in Christ Church already enjoys all tax exemptions provided for under the Act and pays no taxes on its church nor upon the building used by it as a tabernacle, located on the Bible School grounds.

3. The taxes levied against the Bible School property for the year 1947 amounted to \$382.56. If this property is exempted it will result in an increase of approximately 3% of a mill in the general mill rate of the town. This will be increased if further buildings are erected.

4. Your Council feels that the cost of education to this town as reflected in the mill rate is already excessive and that no further burden should be placed on the ratepayers for educational purposes.

5. Your Council is of the opinion that aid to the Mountain View Bible School should be given by its adherents rather than by the public at large, having regard to the type of teaching that is done there and to the fact that direct contributions to the school may be deducted from the school property.

This is the regular meeting, postponed from October 13th, and it is necessary to complete the business before the opening of the big game season on November 1st. Please make an effort to attend.

DIDSBURY FISH AND GAME ASSOCIATION MEETING OCT. 27

The Didsbury Fish and Game Association will hold an important meeting in the Lions Hall on Monday, October 27th at 8:15 p.m. and a full turn out of members is requested.

This is the regular meeting, postponed from October 13th, and it is necessary to complete the business before the opening of the big game season on November 1st. Please make an effort to attend.

## SCHOLARSHIP PRESENTED TO LOIS FALK, VICTORIA

On September 26th at a special annual prize-giving ceremony, Lois Falk of Victoria High School, Victoria, B.C. was one of twenty receiving the scholarship pin for studiousness in her grade 9 work of last year, and special mention for her high standing in mathematics in the final examinations held last June. She has been enrolled in the scholarship class in Mathematics for her grade 10 work.

Mrs. Falk in a note to the "Pioneer" says that, "A great deal of credit is due to the teachers of Salem School at Sunnyslope and the Didsbury teachers who laid such a good foundation in the lower grades so that Lois has had this success in a higher grade, a larger school and a different province."

## MRS. JACK REESE ENTERTAINS LUTHERAN LADIES AID

On Wednesday, October 15th, Mrs. Jack Reese entertained the Ladies' Aid of Lutheran Redeemer Church at her home. Pastor Fox began the meeting with a talk on the Reformation, showing how God directed Martin Luther to bring the Gospel message, in its truth and purity, to the people. A number of photostatic copies of Bibles printed from 1455 and later years were exhibited.

During the business session one new member signed the constitution of the Aid. The Aid further dealt with the matter of their annual sale. It was decided to hold this some time in November. The next meeting will be held at the home of Mrs. H. Scheuer. The meeting was closed after a tasty lunch had been served by the hosts.

Income for income tax purposes, while taxes on residential property may not.

6. Your Council has always been of the opinion that they would not oppose this application for tax exemption if they were satisfied that the majority of the taxpayers expressed themselves as being in favor of the exemption being granted. They are now giving the taxpayers an opportunity to express themselves. The Council therefore urges all taxpayers to get out and vote on Monday, October 27th. Poll will be open in the Town Office, Didsbury, from 10 a.m. in the morning until 7 p.m. in the evening. Mark your ballot with an "X".

## PRESENTATION MADE TO MR. AND MRS. FLANAGAN

A very enjoyable ladies' night was held by the Didsbury Lions Club on Thursday evening, October 16th, when about fifty Lions and their wives attended a gathering in honor of Mr. and Mrs. Chris Flanagan, who now reside in Red Deer.

District Governor W.J. Edgar of Innisfail paid an official visit to the local club on this occasion and gave an interesting talk on the convention held in San Francisco last summer.

Art Reiber gave a resume of the work done so far on the covered rink being erected as the first project of Didsbury's Memorial Community Centre.

Hal of the business meeting, H. Lynch-Staunton, on behalf of the local club, made a presentation to Mr. and Mrs. Chris Flanagan, and the evening's entertainment concluded with cards.

## CARSTAIRS SEEKS NEW MILK SUPPLY

According to the Carstairs News-Town, proprietor of the Carstairs Dairy has advised that after November 1st he will be unable to supply the people of Carstairs with milk. As a result the Carstairs Village Council is advertising for someone to supply the town with milk after that date.

Owing to the heavy demand for milk and cream in Didsbury Mr. Morris finds it impossible to secure sufficient milk to supply both Didsbury and Carstairs and this is the reason for discontinuance of deliveries to our neighboring town to the south.

## New Well For Waterworks At Butte Has 10 Inch Casing

## WALTHER LEAGUE RALLY SCHEDULED FOR MELVIN

The Walther League of Redeemer Lutheran Church, Didsbury, will be host to the Southern Alberta Walther League Rally, to be held at the Melvin hall next Sunday afternoon, October 26th. The afternoon will be devoted to sports, especially an inter-society competition for a trophy presented to society earning the most points. The latter part of the afternoon will give the Leaguers an opportunity to discuss two topics, namely: The Importance of Bible Study, and The Importance of Youth Rallies. A short business session will follow the discussion.

A joint lunch will be served to all present. After the evening lunch a consecration service will be conducted to which all are cordially invited. Pastor Fox of Didsbury will be the speaker at this service.

A large turnout is expected with Leaguers and friends coming from Red Deer, Trochu, Calgary, Claresholm and other points.

## BURNSIDE NEWS NOTES

Jas. McCulloch had the misfortune to get a piece of metal in his eye while working in the machine shop last Saturday. While painful, the injury was not serious.

Mrs. A. C. Mardon, of Florence, Arizona, who has been visiting for the past two weeks with her sister-in-law, Mrs. C. Mardon, left Monday via Detroit on her journey back to the States. This was Mrs. Mardon's first visit to the Didsbury district and she enjoyed her stay, but said she was glad to be getting back to a warmer climate.

Mrs. Cecil Cipperey of Calgary is visiting this week with her sister-in-law, Mrs. Zeigler.

The moisture Monday will hold up threshing again. Many outfits have been operating shorthanded and there is still considerable grain to be threshed in this district.

## FEED GRAINS

The feed grains subsidy to livestock feeders expired on September 30th, but was extended by the government for two months. These payments are 25¢ a bushel on barley and feed wheat and 10¢ a bushel on oats.

The ceiling price on barley is 93¢ a bushel and on oats 65¢ a bushel, both basis Fort William. Under the British wheat agreement the price of wheat will be \$2 for the 1948-49 crop year. This would suggest that a proportionate increase in oats and barley prices should be brought into effect—Wheat Pool Budget.

## DIDSBURY HOSPITAL BIRTHS

Born at the Didsbury Municipal Hospital on October 16th to Mr. and Mrs. Ruben Tidball of Carstairs, a boy.

To Mr. and Mrs. James Cameron of Cremona on October 17th, a girl. To Mr. and Mrs. Michael F. Page of Didsbury on October 20th, a girl.

## Farm Investment in Canada 38 Per Cent Above 1941 Figure.

Capital investment in Canadian farms in 1946 amounted to \$5,922,347,000, more than 38 per cent above the figure recorded by the 1941 census, according to the Quarterly Bulletin of Agricultural Statistics for April-June 1947. The investment includes land and buildings, implements and machinery—including motor trucks and automobiles—and livestock, including animals on fur farms and poultry.

The estimated value of farm capital in 1946 was almost seven per cent higher than the value for 1945, but nearly 78 per cent of it

About two inches of snow fell in the Didsbury district Monday night and has halted all harvesting operations again. Last week farmers got in about four days threshing but more than 50 per cent of the crop here remains to be harvested.

The Council of the Town of Didsbury met in regular session on Monday, October 20th, and mostly routine business was dealt with.

Bill Moon, who is drilling a well for the new waterworks system on the Butte, reported that he was at a depth of 92 feet, with 10-inch casing set at 76 feet, and expects to get a good supply of water shortly.

The inspector's report was read and showed the town books and records being kept in a very satisfactory manner.

Council approved one Old Age pension application, and renewed the Town brand on horses and cattle for another four years. The town brand is two "D's", one above the other.

A by-law was passed for the sale of one lot south of the flour mill to Mr. Weber.

Council discussed the plebiscite to be held on October 27th, and its opinion in the question appears elsewhere in this issue.

It was pointed out to taxpayers that the 5% discount on current taxes expires on October 31st.

## RELIEF FOR DESTITUTE

Have you sent in that parcel of clothing and shoes, etc. you intended to? Because winter appears to be here we are again reminded how urgent it is that we send clothing immediately to those who have not sufficient wearing apparel to keep warm. Bring your parcels in and leave them at the J.V. Berscht or E.G. Ranton stores.

## BLOOD DONOR CLINIC TO VISIT DIDSBURY NOV. 8

The Red Cross Mobile Blood Donor Clinic will visit Didsbury on Thursday, November 8th, from 2 to 3 p.m., according to word received last week by W.A. Austin.

About 125 voluntary blood donors will be called on this first visit to Didsbury and the clinic will be held in the basement of the Evangelical Church.

## M.V.B.S. OPENS FOR TWENTY-FIRST YEAR

Classes commenced October 14th at the Mountain View Bible School and a large student body is attending this year. Students from Washington, South Dakota, New Brunswick, Saskatchewan, British Columbia and Alberta are attending, among them five veterans, two Americans and three Canadians.

The staff of the school this year is composed of Rev. and Mrs. Hallman, Miss Helen Leonard, B.A., of Yakima, Wash., Miss Ethyl Young, B.A., of Portland, Ore., Rev. J. Hoskins, B.A., of Portland, Ore., Mrs. N. Lemont, B.A., of Hoadley, Alta., Miss B. Redfield of Acadia Valley, Miss Myrtle Carry of Carstairs, Mrs. May Cutler of Calgary, Mr. Nicholas Ballas of Olds, Miss E. Hunsperger, Miss R. Shantz and Mr. Arthur Eby, all of Didsbury.

## Farm Investment in Canada 38 Per Cent Above 1941 Figure.

can be attributed to the enhanced value of land and buildings. Higher prices for livestock, which more than offset a decrease in numbers, and substantial purchases of farm implements during 1945 increased the value of both these components of farm capital in 1946.

## THE BLOOD DONOR CLINIC

The Canadian Red Cross Society Blood Donor Clinic will be held in Didsbury on Thursday, November 6th from 2 to 5 p.m., according to word received by the secretary of the local branch, W.A. Austin, and from information contained in the advance announcement it appears that the travelling clinic will require about 125 blood donors to complete the itinerary in Didsbury. No doubt names will be selected from the large list of volunteer registrations taken last summer and those whose names are selected will be advised at what time of day they are to report to the clinic.

If at all possible those who are asked to give voluntary blood donations when the clinic is in Didsbury on November 6th should make every sacrifice necessary to complete the blood donation, which is so essential if our hospitals are to be kept supplied with fresh blood to be used for transfusions in emergency cases.

The Red Cross blood donor clinics are a great contribution to public health and saving of life and the Society is to be commended on its initiative in making the service operative in every hospital, including Didsbury, in the province of Alberta.

You can do your part to help this service to continue in operation by making your blood donation when the clinic visits Didsbury November 6th.

## WE MUST ALL CO-OPERATE

There has been much discussion and speculation in Canada on the declaration made recently by the Minister of External Affairs on the occasion of the 18th annual meeting of the Canadian Chamber of Commerce. Speaking in his home city of Quebec it was obvious that the Minister intended his declaration not only for all Canada but for other nations of the world. "We are not going to stand idly by and allow situations to develop to the point where they would be apt to be irremediable," was the assurance that Canadians were very anxious to hear.

Just what measures might be necessary to protect the welfare of the Canadian people against depression and to exert every effort to prevent aggression leading to war, no one is quite sure. Observers in Ottawa are sure that the government will have the cooperation, not only of the business men, but of loyal Canadians from all ranks to meet this emergency as it had to meet the needs of world war II even to "some measures of regimentation and direction of our economy." If total world cooperation cannot be obtained we must very soon arrange to work with those nations that will work with us. It is obvious that Russia is determined to break down, if she can, the economies of all free-enterprise countries.

## 5% DISCOUNT EXPIRES

Ratepayers of the Town of Didsbury are reminded that the 5% Discount on Current Taxes expires on Friday, October 31st.

### 20,000 FARM WORKERS AWAIT SHIPS TO CANADA

More than 20,000 Netherlands farm workers are ready to leave for Canada as soon as shipping is available.

A steady stream of would-be-emigrants calls at the Canadian embassy in The Hague and at travel agencies there and in Amsterdam, trying to get space. Some Netherlands express hope that 200,000 may be able to enter Canada during the next 10 years, about doubling Canada's present Netherlands population.

"Some 22,000 are ready but only 2,300 have been able to go," said T. Plomp, Netherlands' manager for the Canadian Pacific Railway, who recently toured the Dominion.

"Before the war the United States used to draw most settlers from this country. Now Canada is most popular because Dutchmen will never forget the Canadian army brought them liberation."

"We have 5,000 persons on our 1948 waiting list. If more ships were available we could fill them easily, despite the harsh currency regulations."

Adult Netherlands going to Canada may take only \$190, with \$80 extra for each child under 16. Farm workers still will take the chance of leaving home.

"We have 40,000 farmers too many," said Mr. B.P. Willebeek Le Mair, Rotterdam grain dealer. "The trouble is there isn't enough land. It's impossible to buy a farm at any profitable price. Even the wealthiest farmers can't buy land for their sons and most farms are so small they can't be split."

"The Netherlands government discourages emigration by most manual workers by refusing foreign exchange, because there is a general manpower shortage; but it recognizes the farm problem. During the last year it has provided

ships to send more than 2,000 men, women and children to the Dominion. Similar movements are expected in future."

"We want Dutch settlers in Canada," said a Canadian government official at The Hague. "They fit into our country more easily than almost any other nationality."

"Every time a Netherlands family moves to Canada we build up the potential market for Netherlands goods," said one prominent industrialist.

### FREAK DEVELOPMENTS IN NAGASAKI CROPS REPORTED

Summer crops in atom-bombed Nagasaki, some with freak developments, have shown increases of from 50 to 300 per cent over the normal yield. Takeo Furuno, Nagasaki agricultural expert, told Kyodo News Agency.

He said increased output was noted in all food plants except dry rice and lentils which had not matured. The wheat crop, Furuno said, was about twice normal and the cotton crop three times the average. Sweet potatoes planted at the end of May were ready for harvesting at the end of July.

Pumpkins, sugar beets, tomatoes, eggplants and similar produce showed a 50-per cent increase over previous production. The skin of some pumpkins, he said, developed into a leaf and then a bud and finally became a second pumpkin.

### MOOSE ANTLERS 68 INCHES

One of the largest sets of moose antlers sent out of Alaska in recent years, measuring 68 inches tip to tip and weighing 70 pounds, was shipped home by James E. Ryan, of Clare, Mich. The animal, shot 95 miles from Anchorage, weighed over 1,500 pounds. The territory's record antlers measured 77 inches, guides said.

With hazel is a pleasant after-bath rub.

## NOTICE

The Board of Trustees of Mountain View Bible School will appreciate the favorable support of friends who are ratepayers in the Town of Didsbury, in the plebiscite which will be taken October 27, 1947.

### CARD OF THANKS

The Ladies' Curling Club wishes to thank all those who donated food and helped to serve at the tea on Saturday. Also to thank all who patronized the tea and made it such a success.

### CARD OF THANKS

I wish to thank everyone for their many acts of kindness, and all who were so willing to give assistance during my recent illness, and Mr. Hall's illness. The citizens of Didsbury were very co-operative in overlooking any irregularities in milk deliveries and this, also, was greatly appreciated.

TOM MORRIS

### PLEASE PHONE OR BRING IN YOUR NEWS ITEMS

This newspaper cannot make a house to house canvass for news but it is always glad to have it phoned or handed in. We want all the news. We are just as pleased to mention your guests or your visit as to mention doings of your neighbors—but maybe your neighbors co-operated with us in getting the facts. Please let us have your news items. Our columns are always open to them. And remember they must be in before Tuesday noon, if at all possible.

"I tell you I won't have this room!" protested the old lady to the bell boy who was conducting her. "I'm not going to pay my good money for a closet with a measly little folding bed in it. If you think that just because I'm from the country..."

"Get in, lady, get in," the boy cut in wearily. "This isn't your room. This is the elevator."

Poor Stanroy—he didn't even hear that Rosebud garage grease job sneak up on him!

## NEW OILFIELD TOWN TO BE KNOWN AS 'DEVON'

Engineered Buildings Ltd., Calgary, have been awarded a Central Mortgage and Housing Corporation contract to build at their Calgary plant a complete prefabricated town and transport it piece by piece to a site 12 miles northwest of Leduc adjoining the new oil field where it will be re-erected. The new town, to be named "Devon," will be complete in every detail with houses, churches, stores, a school and recreational centre.

It is expected that the complete project will represent an invest-

ment of several million dollars with the first phase alone—comprising 60 houses, an hotel and an office building—to cost \$1,500,000. Work has already started in Calgary on the first phase and as the prefabricated sections are built they will be transported north by trailer truck. An official of Engineered Buildings, Ltd. declined to reveal the identity of the interests financing the project but it is believed that one of the larger oil companies has a major share in the undertaking.

Teamwork is a method of production even more productive than machines.

## GARDENING HINTS

(By A.T. Kemp)

### DID YOU

Know that it is good time to plant outside, certain kinds of hardy bulbs such as tulips for blooming early next spring.

A bulb is fleshy, thickened, and usually an underground stem in which a bud or buds will emerge and that being thickened it contains practically all the food materials required to produce a flower.

Tulips are now available on the market and should be planted about six inches deep in a hole dug out with the lower soil loosened up, and bulbs planted about four inches apart where they can remain for about three years undisturbed.

Their wide range of colors, time of blooming, difference in height and whether single or doubles, make them valuable assets to a floral display.

It is really too late to plant Narcissus as they must be buried deep, e.g. about ten to twelve inches, so require considerable time to grow through that depth for good results. September is a good month for planting them, though fair results can be obtained even now.

Sift the combs of gladioli. They can now be cut down to within two inches of the ground, labelled, dried if possible in the sun, and stored in paper bags with top left open and kept in a cool place as a partial control of thrip. The gladioli is a half hardy perennial and sometimes can be found to have wintered outside without injury so that hasty is not desired because they can still develop good combs for blooming next year.

Dahlias have been frosted now so can be cut down to within four inches of the soil, dug carefully because of wide spreading new tubers, turned preferably in the sun, so that they are downside upwards to allow excess moisture to drip out of their hollow stems or, kept in a warm place in case of frost for the same purpose. Label and store either with soil in shallow boxes or if possible and preferably, can be kept in a potato bin undisturbed till spring.

### DRIVERS REQUIRED TO TAKE TESTS IN 1948

The provincial government will bring a system of tests for those making application for drivers' licenses into operation next year, according to information received recently by the Alberta Motor Association.

Under the system to be made operative, tests will be required by those who are making application for drivers' licenses for the first time. This will cover a large number of young people who have reached the required age.

Regulations will also require tests in case of those who were involved in motor accidents during the past year.

These applicants will be required to satisfy the requirements laid down in the regulations and they will be given tests under the supervision of the R.C.M.P.

The new system will come into operation in time for opening of the 1948-49 license year on April 1. Owing to lack of sufficient time to establish machinery, it was found impossible to make the plan operative in 1947.

### CANADA'S GIFT TO LONDON'S CHILDREN

The people of Canada have sent a gift to Bethnal Green's Public Libraries in London for which the children of this Borough will have reason to be grateful all their lives. It is 1500 children's books of the highest literary quality and the way in which this generous gift has come about is interesting. Last December Bethnal Green Public Library issued a report which appeared in some London daily papers and which spoke of the destruction of millions of books by enemy action during the war, which, together with the present paper shortage has made it difficult to obtain the books essential to any children's library. The report was read by Toronto's Chief Librarian, Mr. C. H. Sanderson, and as a result, a press and radio campaign was begun, under the auspices of the Canadian Library Association, in which every Canadian boy and girl was asked to send books to Bethnal Green. Soon books were pouring in to Toronto from all over Canada from schools, social organizations and from children and adults alike. Some children sent their pocket money.

## SHIPPING CATTLE UNDER DIFFICULTIES

Difficulties, and the overcoming of difficulties, confront the farmer all the world over, and every corner of the globe has its own special brand of hazard to the farmer. In Western Australia, for example, the worry to the stockman is the long trail and transport of live cattle with particular snags looming up at the distant shipping ports. Shipping live cattle in Western Australia is a big part of the work of coastal vessels, says the Australian News. At the beginning of their 2,000 mile journey from their stations in the Kimberleys in the far northwest, the cattle are taken by drovers to a western port and driven down gangways, or races as they are called in Australia, on to the jetties which may be more than a mile long.

At some of the northwest ports, the tide drops 30 to 40 feet, leaving ships on the ocean bed and allowing passengers to walk around the boat almost dry-shod. This means that the cattle must be urged down the gangways from the end of the jetty right down into the ship's hold. As the tide rises, sections of the gangway are taken off, until eventually, as the ship appears above the level of the jetty, the last of the cattle have to climb to enter the ship.

The most valuable Canadian stamp is the 12-penny black, issued in 1857. It bears Queen Victoria's head, and a used specimen is catalogued at \$1700.

### BRITISH PEDIGREE LIVESTOCK EXPORT

Britain's pedigree livestock export trade is being maintained and, indeed, expanded, owing to the persistency of overseas buyers who recognize the excellence of United Kingdom stock, and whose pre-

sence has always been welcomed at Britain's agricultural shows. The export of livestock is a valuable dollar-producing branch of Britain's national industry, and such exports are largely confined to thoroughbred horses and beef cattle as in the past but range over the whole field of livestock breeds.

## When I look at our Savings Bonds... I see a modern kitchen

WHAT WOMAN doesn't want to improve her home... whether she lives in city or country? ... Kitchen, bathroom, living room, playroom, verandah... there is always something that can be done to make work easier, life more comfortable. But such plans take money—and most women want to be sure they can be properly carried through before they start.

That means savings, and that's where Canada Savings Bonds come in. You may purchase up to \$1000 in any one name. They are as safe as Canada, and may be cashed at your bank at full face value any time. They pay 2½% interest for good measure, and are registered in the owner's name for protection in case of loss. They may be bought for cash or on easy instalments.

The whole family can get behind your plans to make your dreams come true with Canada Savings Bonds. Consult your bank or investment dealer today.

You'll never be sorry you saved!

### HUNTERS! MAKE SURE IT'S A DEER

There are always people who should never be permitted to handle firearms—and a lot of them seem to be hunting enthusiasts. Some of them are criminally careless. They blaze away at every sound and shadow, not bothering to find out what they are aiming at before they pull the trigger. Then there are others who are temperamentally unsuited. They get tense, nervous, carried away with excitement. Their imagination plays tricks on them—makes a man look like a deer or a bear or a partridge or a rabbit or a duck.

When we say this, we are not exaggerating but simply recalling the sworn testimony given at inquests in this province by men who have killed other men. It is all there in the records of coroners' courts. "I thought he was a deer," "I saw something moving behind the leaves and I thought it was a bear."

In one case the father of three children was taken for a partridge. It was stupid, but not funny, and he would have executed the widow to pay graciously. "It's all right—we all make mistakes"—St. John Telegraph-Journal.

Bacon exports from Canada to the United Kingdom have been cut from 5 million pounds a week to one million pounds by the strike of packing house employees.

SCHULTZ-KENNEDY

Four senior attendants and a diminutive flower girl and ring bearer preceded the bride down the church aisle at the marriage in St. Mary's Cathedral Oct. 11, of Alice Grace Kennedy and Cecil Grant Schultz. Bouquets of pink and white chrysanthemums and white carnations banked the church altar for the mid-morning service, at which Rev. Father Louis D. Malo officiated.

The bride, who is the daughter of Mr. and Mrs. John Kennedy of Calgary, was given in marriage by her father to the son of Mr. and Mrs. Herman Schultz also of Calgary and formerly of Didsbury. Her imported model gown of traditional white satin was full-skirted, topped with a fitted bodice featuring long lily point sleeves edged with lace, and styled with an inset embroidered yoke, with matching embroidery banding the waistline. Her veil of English net fell to train-length from an Elizabethan headress of seed pearls, and she carried a shower bouquet of red roses.

Formal tulle gowns in shades of mauve, rose, blue, and coral, respectively, were worn by Miss Kay Macleod, maid-of-honor, and the trio of bridesmaids, Miss Doris McGlashan, Miss Margaret Leppard and Miss Ann Cumic. All wore chapel veils to tone with their frocks, and carried bouquets of pastel-toned carnations. As her cousin's young flower girl, Sharon Darling was frocked in a long dress of jade green Swiss organdie, and wore a floral wreath of pink carnations in her hair, with pink and white carnations forming her colonial bouquet. Jimmie Hill, also a cousin of the bride, performed the duties of ring bearer attired in a white flannel suit.

Victor Collins was groomsman, and the guests were ushered by James Connolly, Charles Veilleux, and Nella Marano.

Mrs. B.H. Joyce played the wedding music, and during the signing of the register, Miss Isabel Kennedy sang "Ave Maria."

A wedding dinner and reception for 100 guests was held in the Sun Parlor of the Palliser hotel following the service. The bride's party was assisted in receiving by the bride's mother, attired in a two-tone brown and beige crepe ensemble, worn with beige hat trimmed with osprey, and corsage of Talsman roses, and the mother of the groom, who chose a royal blue crepe frock, with contrasting black accessories and a corsage of pink roses.

Pink and white tapers lighted the bride's table, which was centred with a four-tiered wedding cake flanked by vases of pink and white carnations. Mrs. Margaret Carter, Mrs. Pat Hill and Mrs. James Breckenridge assisted at the reception, and Miss Isabel Kennedy was soloist. The bride's toast was proposed by Wilfred Gardner, and a toast to the bride's attendants was given by Arthur McAdams.

Numerous telegrams of congratulations were received during the reception from points in eastern Canada and the United States.

The bride couple left later for Banff where their honeymoon will be spent, the bride travelling in a paddy green suit of imported English wool, topped with a muskrat fur coat and brown accessories. A corsage of Talsman roses completed her costume. Mr. and Mrs. Schultz will take up residence in Edmonton where the former is attending the University of Alberta.

The bride's gift to her maid-of-honor was a compact, and to her bridesmaids and flower girl, silver bracelets, while to the young ring bearer she gave a gold signet ring. Her gift to the groom was a gold wristwatch bracelet.

Out-of-town guests attending the wedding were Mr. and Mrs. J. H. Luck, Mr. and Mrs. Pat Hill and son James, Lethbridge; Mr. and Mrs. Elmer Darling and daughter Sharon, Yorkton, Sask.; Mr. and Mrs. Robert Breckenridge, Granger, and Mr. and Mrs. Wilfred Snyder, Miss Olive Snyder, and Miss Ruby Shantz, Didsbury.

### CALF BORN WHILE AIRBORNE

While a freight plane was flying one Canadian bull and 14 heifers from New York to Buenos Aires, a calf was born at 7,500 feet, 23 minutes before the plane landed. The Buenos Aires breeders who had ordered the animals from Hays Limited, Toronto, were surprised to find that the passenger list had been changed to one bull, 13 heifers one cow and one calf.

## —: DISTRICT NEWS:—

### NOTES FROM THE WEST

Mrs. H. Papke has been taking care of her two grandchildren at Sundre for the past week while their mother, Mrs. Stevenson, was a patient in the Olds hospital. Mr. and Mrs. A.L. Hogg spent Sunday with Mr. and Mrs. E. W. Lowrie in the Inverness district. Mrs. Vic Schneidmiller returned home from the Didsbury hospital last Thursday with her baby son, Ernest Lawrence.

### WESTERDALE NEWS NOTES

A regular meeting of the Westerdale Willing Workers was held at the home of Mrs. W. Herbert on October 8th with 12 members and four visitors present. Roll call was answered with, "What is Your Pet Superstition?" During the business session arrangements were made to hold a sale of work on November 28th. Mrs. J.P. Schrader, Mrs. T. Bell, and Mrs. F. Jackson were elected to arrange a program to precede the sale. A lunch committee was formed and consists of Mrs. Dodd, Mrs. Jones and Mrs. John Schrader. It was agreed that each member donate one article to the sale, in addition to the articles already being made.

The display of some made over article (not clothing) to be brought by each member to this meeting was very small, only four members contributing. Mrs. R. Jackson won the prize with a made over light shade.

The November meeting will be held at the home of Mrs. J. Cowie.

Mrs. T. Collinge returned to her home in Acme on Monday after spending the past week helping her sister, Mrs. Kershaw, while they had the threshers.

Mr. and Mrs. G. Nelson of Olds were Sunday visitors at the home of Mr. and Mrs. S. Jackson.

Threshing operations have again been interrupted as snow began to fall late Monday night. However, the sun came out Tuesday afternoon and there is still a possibility that we may have warm, dry weather to complete this year's harvest.

### NOTES FROM THE EAST

On Wednesday last a particularly happy lot of women met for their regular W.I. meeting while all about combines and threshing machines hummed merrily. The meeting opened by singing "Maisy Doats." Business was attended to and correspondence read and discussed. A paper on Immigration and Citizenship was read by Mrs. S. Brander in the absence of Mrs. Bruce Shells and was well worth hearing. Mrs. Brander won the ten cent draw.

This meeting was to have been a special one in honor of Mrs. Ch. Ehret's 25th wedding anniversary, but because of car trouble the guest of honor was unable to attend. One of the ladies kindly delivered a silver case casserole with the compliments of the W.I. and several other gifts from individual members. A portion of the cake baked for the occasion was also sent to Mrs. Ehret.

The meeting closed and lunch was served by the hostess and Mrs. D. Fobes. Ladies—Don't forget the next meeting will be held at the home of Mrs. R. Eckel on the second Saturday in November—the 8th. Wear a poppy for Roll Call.

Mr. and Mrs. B. Shells and Mr. and Mrs. R. Shells attend the funeral of the latter's sister-in-law at Innisfail on Wednesday.

Mr. and Mrs. Walter McCulloch spent Saturday at the home of Mr. and Mrs. Howard Pross.

Fred Metz, Mrs. Dowell and Mr. and Mrs. W. Coates attended the funeral of Mrs. Frank Peters at the Orme Funeral Home in Olds on Sunday.

On Wednesday Mrs. Chris Ehret had the misfortune to have her car start, then stop for no apparent reason. She was unable to start it again and thus missed the W.I. meeting and a special occasion in her honor. However, better luck on your fiftieth anniversary—perhaps you'll be piloting a plane.

Mr. O. Brown, teacher at Jutland school, has been giving S. Elliott a helping hand with threshing after school hours.

A concert violinist recommends milking a cow to keep the hands supple.

### FALLEN TIMBER NOTES

Mr. and Mrs. W. Dick and Gene were Calgary visitors on Tuesday. Mr. and Mrs. J. Howton and Danny and Mrs. J. McGaffin and Pat were dinner guests of Mr. and Mrs. Fyten on Thanksgiving Day.

Mr. and Mrs. J. Cooper and family were guests at a birthday dinner at the home of Mr. and Mrs. J. McGaffin in honor of their son, Pat, on Sunday, October 5th.

Mr. Wannemaker and son, Richard, and Mr. P. Johnson, formerly of Gull Lake, Saskatchewan, arrived in the district last Wednesday.

Mr. George Teynor, Mr. B. Teynor and Mr. W. Money sent a truck load of feeder cattle to Calgary on Tuesday.

Mr. and Mrs. J. Howton visited with Mr. and Mrs. Bob Moore of Bergen last Saturday.

Considerable work has been done on the west end of the Burma Road but there are still several very bad places by Smith's, Whittle's and Fair's, and trucks find the going very difficult.

### MOUNTAIN VIEW NOTES

The Mountain View W.I. meeting was held at the home of Mrs. Ed Blain, with a good turnout despite the busy season. Roll Call was answered with a "Hint for the Bazaar," which will be held on December 5th. Mrs. M. Wood had the topic paper on Household Economics. A pickle auction was held with Mrs. Worrall as auctioneer. The meeting came to a close with an enjoyable solo rendered by Miss Zook, after which a delicious lunch was served by the hostess. The next meeting will be held at the home of Mrs. Gebbers.

Mrs. Adam Morasch and family were called to Red Deer to see her four-year-old granddaughter, Loretta, who was critically ill in hospital due to an appendicitis operation.

Threshing operations have been in full swing for the past few days but came to a stop on Tuesday when the farmers of the district arose in the morning to find a mantle of wet snow covering the ground.

Henry Hooper returned to the district on Friday from England. He reported a fine trip and is glad to see the familiar faces here once again.

The Beef Calf Club will hold its next meeting Friday afternoon at the Lloyd Hayne home.

David Smith left Tuesday for Olds to attend the Agricultural School, Good Luck, David.

Syd Morasch was a week end visitor at the home of his parents, Mr. and Mrs. A. Morasch.

Mrs. Emily Hunter of Calgary returned to Didsbury from Red Deer, where she had stayed with Mr. and Mrs. Ted Hunter while Loretta was ill. She reported that Loretta is doing fine now and we wish her a speedy recovery to good health.

### CREMONA NOTES

We see that Mrs. G. Brown and the Cremona Cafe each have a crew of threshers.

The Cremona W.I. held their regular meeting at the home of Mrs. Bill Dinzey on Thursday, October 16th.

Mrs. Percy Wardrop of Didsbury spent the week end and Thanksgiving at the home of her brother, Mr. C. Waterstreet, and family of Cremona.

The Cremona Girls' Sewing Club held a meeting at the home of Rev. and Mrs. Dyck on Tuesday, October 14th. Four new members joined, and they were given the task of tying a quilt with help from the experienced members. The next meeting will be held at the home of Mrs. Waterstreet on Tuesday, October 28th.

Mr. Alan Sharp is a visitor at the home of Mr. and Mrs. Frizzell.

Mr. and Mrs. Jas. Glockzin and daughter left Thursday for their new home in Calgary.

—Don't forget the regular meeting of the Didsbury Branch, Canadian Legion, to be held in the hall on Thursday, October 30th.

Mr. and Mrs. Ian Smith and family were visitors to Rocky Mountain House on Sunday.

Margaret Sinclair returned to Brooks Saturday after spending the past three weeks visiting her father, D.M. Sinclair.

Mr. and Mrs. E.J. Rouleau, Winona and David spent the week end in Drumheller.

—Only—Electric Record Player. Regular \$59.50, Special \$45.00.—Builders' Hardware Stores Ltd.

## LOCAL NEWS

—K. Roy McLean, Optometrist, of 1015 Southam Bldg., Calgary, will make his next visit to the Rosebud Hotel, Didsbury, on Monday, November 3, morning only.

Mr. and Mrs. Chris Flanagan of Red Deer were Didsbury visitors Thursday evening and attended the Lions Club Ladies Night.

The Junior W.A. of Knox United Church will entertain the Senior W.A. at a kitchen shower for the Church on Monday evening, October 27th, at 8 p.m. sharp.

A.G. Studer, Trev Evans and Lloyd Jenkins motored to the Irricana district Saturday for opening day of the pheasant season and report seeing more hunters than birds.

Mr. and Mrs. A.B. Claypool of Muncie, Indiana, were visiting at the W.J. Scheidt home last week. Mr. Claypool was at one time M.L.A. for the Didsbury constituency.

Hector Lamont returned to Calgary Thursday after an extended holiday spent in Didsbury and with relatives in Manitoba.

—The new triple action Hoover Cleaner is now available at Builders' Hardware. Drop in or phone 7 to arrange a demonstration.

Mr. and Mrs. J. Wordie and Cameron spent the Thanksgiving week end with Gordie Wordie at Edmonton. The weather was fine and golf was enjoyed at the Edmonton Municipal golf course.

—The machine business at Cassidy's is being turned over to Mr. Sharp of Innisfail on December 1st. Prices are being reduced on Jacks, Engines, Saw Mandrels, Wrenches, Oil and Pump Jacks and many other items so that stock will be low when sold. If you don't see what you want, ask us about it.

Mr. and Mrs. Jack Topley were Lethbridge visitors last week. Miss Joyce Topley is taking her nurses training at the Galt Hospital in Lethbridge.

—See the new Kero Refrigerator now on display. "Ice from Heat." Operating cost as low as 3c per day, no working parts, nothing to wear out \$399.00, cash terms.—Builders' Hardware Stores Ltd.

Bill Armour gave the west and north exposures of the Rosebud Hotel the first coat of stucco last week.

Miss Enith Hunsperger has returned to assist on the staff of the Mountain View Bible School after spending two months in Edmonton on the staff of Beulah Home.

Mrs. Watt left Thursday after visiting in Didsbury with her sister, Mrs. Dave Edwards. She went to Saskatchewan for her mother who will accompany her to Victoria to reside.

Henry Hooper arrived back in Didsbury last Friday after spending the past eleven months on a very enjoyable trip to England. While conditions in England are not normal Mr. Hooper says the people are getting along on their rations. In fact Henry gained 20 pounds while in the Old Country, but then he was living with relatives on a farm.

And Meet Your Friends

Correction—Miss Rostrop, R.N., graduated from the University Hospital at Edmonton, and Miss Ruby Hall, R.N., from the Victoria Jubilee hospital, and not from the general hospitals, as reported in our last issue.

George Ross, noted southern Alberta cattleman, told the convention of the Canadian Federation of Agriculture meeting recently at Kelowna, B.C., that the packing house strike was holding up the marketing of between 400,000 and 500,000 beef cattle and a large number of feeder cattle and hogs.
